The others, the editor of the American, with a great show of hats we far excel them or any other country. The others, the editor of the American, with a great show of hats we far excel them or any other country. The others, the editor of the American, with a great show of hats we far excel them or any other country. The others, the editor of the American, with a great show of hats we far excel them or any other country. The others, the editor of the American, with a great show of hats we far excel them or any other country. The others, the editor of the land in this case. The following the following the following the far excel them or any other country. The others, the editor of the land in this case. The following the follo honesty, should only be considered as an admission while here they are sold at \$25 and \$50 the dozen, idea is intolerable and ought not to be endured. of his treachery to the rule of right. At best, he stands in no better light than that of a "State's witness" against his own party. He aided and abetted in the commission of the wrong, and now he betrays.

PRINCIPLES US. EXPEDIENCY .- If it be true that "a renegade is worse than a Turk," it is equally true that a time-serving, timid friend, does more harm to ject of protection: the consequences-who hangs upon the skirts of his the sanction of the nation. Stability, with moderate act, for fear it will injure the party," is but a dead PROMISE ACT WILL BE ADEQUATE for the to bless the land with plenty!" This is a noble sentiweight upon any cause to which he is attached. A most, if not as to all interests. The TWENTY ment and every way worthy of Patrick Henry. politician who loses sight of principle and is always PER CENT, which it stipulates, cash duties, home looking about him, to consider, not what is right in valuations, and the list of free articles inserted in itself, but how a measure will be received by the peo- the act for the particular advantage of the manufac- defaulters, under Mr. Van Buren's Sub-Treasury reign, ple, is good for nothing-and a party which adopts turer, insure, I trust, SUFFICIENT PROTECsuch a compromising course, cannot long sustain itself. We must live up to what we profess-never swerving from the strict line of right and duty with a view to secure the support of this or that individual taxes in their favor were reduced to the sum declared religion,"—yet he publishes the above barefaced falseor interest. "Principles-not expediency," is as good to be quite "sufficient" by Mr. Clay. The more you hoods as truth! Every man knows that Price was democracy adopts this and adheres to it, victory will earely, sooner or later, perch on its banner.

## Look at it!

The Goshen Democrat gives a list of counties which candidates for Governor and Lieutenant Governor, and yet elected Whig Representatives. We copy the list below, with a few corrections:

	Majnrilies.	Representativ
Allen,	79	1
Clark,	181	. 1
Clinton,	168	1
Daviess and Martin,	314	1 .
Floyd,	8	1
Johnson,	339	1
Montgomery,	6	2
Parke,	34	1
Tippecanoe,	29	1
Vermillion,	37	1
Washington,	295	1
	1400	10

Here are twelve Whig Representatives from counties which gave Whitcomb nearly 1500 majority-a Mone Ruin.-Mr. James Leonard of New Preston, number sufficient to change the entire character of Litchfield county, Connecticut, advertises one-half of the Legislature. Certainly there is a wrong some- his cotton factory for sale. He says the works are

We should have supposed that an editor of the vast beyond any ruinous contingency." State afficirs, would hardly have been led into such a business has yielded in consequence of the high pro lead him to " white " over the correction. The idea of 1842. We have been told that a company in of five, is something new; and we hope Mr. Clarkson than quadrupled their capital in five years, in the will try and cipher it over again.

acqueducts on the Whitewater canal, in consequence so remain for some weeks.

cation in favor of capital punishment, asked-"Why ton correspondent of the Baltimore Sun states, under The Cincinnati Commercial gives the following To the Editors of the Indiana State Scatinel: family !" This of course is mere exaggeration, but and Ready will now manufacture news enough to emsuppose it were literally true, -how does "S." propose ploy a score of expresses. If the "two million" bill Grande, are as follows : Col. Mitchell's black boy Now, I do not attempt to reply to that essay, besuppose it were literally true,—how does "S." propose to "sympathise" with the injured family of the murdered! Why, by legally murdering him who injured deed! Why, by legally murdering him who injured does "S." propose to the "two million" bill had become a law, matters might have taken a different for his victim, is too false and unfounded to need any or strength of argument. Nor in doing so do I aim a big cat, and fastened it to the bank. One of the Baltimore boys, returning from Burita, came past the Maximum and the state of the strength of argument. I remark, in conclusion, that if Mr. "S." intends them, and thus inevitably adding to the number "irto make a bold push towards bringing the Mexicans place, and took the cat, and was in the act of carryneither a "Rev. Divine," a character so highly culoto discuss this subject, I hope he will be willing to do Verily, this is a curious way of showing one's "sym- dozen small ones. Therefore the President has sent with his sword, cutting his head. The Baltimore boys withstanding the writer, "S.," denounces in such short cassays. pathy" for distress! Yet with some minds we know on a messenger; instructing the commanders of the ran to the rescue of their comrade, when Adjutant Har-strong and expressive language all who take this I have not attempted in what I have written to adby observation and experience that it is the natural land and naval forces not to be sparing of the leaden of "prejudicing vance much by the way of argument, my principle
